The Mátra

The charm of the Mátra is its silence, tranquillity and crystal clear oxygen-rich air. This is what Mátrafüred offers, surrounded by mountains and beautiful forest scenery. With pine trees reaching to the sky, a stream running through the valley, shady corners, fresh air all year round, plenty of natural natural treasures and maximum hospitality await the visitors here.

About the location

In 2020, a myth was reborn in the form of the AVAR Hotel****superior, where the meeting of past and present brings back a wealth of memories, which, shaped to the needs of today, will tempt you with new experiences that everyone should experience! The hotel, with a history of more than 40 years, is located on the southern side of the Mátra Mountains, in the picturesque village of Mátrafüred, which offers a wide range of opportunities in every season. The comfortable rooms with panoramic views guarantee a relaxing stay, while the numerous recreational facilities such as the wellness area, bowling, etc. offer unforgettable experiences!

The program After arriving in the early afternoon, we will take you on a guided tour of the area, starting and return-ing point will be the famous mulled wine bar of the place, where the participants will get a warm-up:-). After the outdoor program, we will leave time for wellness and other relaxation facilities, then in the evening we plan a festive end-of-year gala dinner in the hotel's special room, with a management review, followed by a party until midnight, with DJ and karaoke.
