Team building in Kemence

Our team-building offer

2021/2022

Kemence is the jewel of Börzsöny

The Börzsöny mountain range, with an area of about 600 km² in Northern Hungary, in Pest and Nógrád counties, most of it is a national park. The Börzsöny has been inhabited for a very long time, people lived in the mountains for thousands of years, as evidenced by in the area. The beautiful panorama and the clean air is guaranteed!

The program

The team will arrive at the venue for lunch, then after a short break in the afternoon they will take part in an outdoor team-building game, followed by a coffee break with refreshments and cakes, and then the company-specific games. At the end of the games, the winners will receive a prize and everyone will have a "lángos" and champagne to celebrate their participation. Then it's free time for relaxation, games or even a short walk in the nearby woods. In the evening, participants can cook dinner in the open air using carefully prepared ingredients in a cauldron. During the evening, a professional DJ will be in charge of a great atmosphere and music. Departure is the next morning after breakfast. Exclusive use of the house for 40 people and more!

About the location

The Pension Feketevölgy is located in the northern part of the Börzsöny Mountains, 5 km from the village of Kemence. Far from the big cities noise, bad air quality, it is located in a nature reserve in the valley of Csarna stream. In addition to the culinary delights, the lush green forest and the babbling creek complete the real black valley atmosphere. In addition to relaxing in the beautiful surroundings, there are also opportunities for active recreation: swimming pool, jacuzzi, sauna, table football, ping-pong.
