A bit of history

Sopron, in ancient times in Latin: Scarbantia, is a town of county status in Győr-Moson-Sopron county, with a population of about 60,000, the centre of the Sopron wine region and the seat of the Sopron district. "The most faithful town" is one of the oldest towns in Hungary. The second richest town in historic heritage monuments in Hungary.

About the hotel

The cosy four-star Hotel Sopron offers you true hospitality near the Austrian-Hungarian border, just a few steps from the heart of the city, with a picturesque view of Sopron's old town and its symbol, the Fire Tower. The hotel offers premium rooms, a Privilege Suite, Sky Wellness and an indoor swimming pool. A recipe for total relaxation: hard work in the fitness room, relaxation and light conversation in the Finnish sauna, a relaxing massage and a splash in the heated pool.

The program

Arrival in the early afternoon, after checking in, take the special train for a sightseeing tour of Sopron, then visit the famous Harrer chocolate factory, where you can learn about the secrets of chocolate making and taste and buy locally made sweets.
